## How many councillors does it take to fix a pothole?

**Plan to axe 1 in 3  
councillors.. REJECTED**

**Plan to cut extra cash for  
councillors.. REJECTED**

**Plan for £5m extra for  
roads.. REJECTED**

Radical plans to cut the number of councillors in Bolton by A THIRD and slash their pay have been thrown out by Labour, Tory and Ukip politicians.

Hard-working Liberal Democrat campaigners would have used the savings to help pay for a massive £5MILLION road and footpath improvement scheme.

One politician **RIDICULED** local campaigner Eric Hyde, pictured, for trying to get potholes fixed - but he battles on, having horror holes fixed in Tong Road, Heywood Street, Aintree Road and Catterick Drive.

## Vote ERIC HYDE X

# Stop the joyriders in Dovebank Park

Off-road vehicles are being used around Dovebank Park. Eric Hyde has asked for new fencing to put a stop to the activity but Bolton Council have refused to fund it.

• Eric also had a rubbish bin in the memorial gardens on Market Street relocated so that people sitting on a nearby bench do not have to stare into it whilst relaxing.

## Doggie bags for everyone

New dispensers for dog waste bags were installed on the footpath from Masefield Road to Victory Road but Bolton Council hasn't bothered to keep them stocked. Eric Hyde has asked for them to be refilled regularly to keep our streets waste-free.

## Rubbish removed

Eric Hyde has organised a litter pick for Masefield Road, School Street and the footpath from Hill Top to Windermere Avenue.
